*Dear Prime Minister*

I join with the voices of people all over Australia and the international community in condemning the needless cruelty in the treatment of a Tamil family who sought refuge in Australia. The refusal of your government to allow the family to return to their home in Biloela after almost 4 years in detention shows serious lack of judgement. It would take just the stroke of a pen to end their suffering.

*Sincerely,*

.....

**Prime Minister**

The Hon Scott Morrison
